

Talk The Talk

CONFIDENT COMMUNICATION FOR LIFE

Talk About The Future

Years 11 – 13

Full Day Workshop

Leaving school to enter the world of work, further training or education is both an exciting and daunting time. The prospect of independence can be overwhelming.

This is a full-day confident communication workshop geared towards students in Year 12 and above. Within this workshop each student will speak in front of his or her peers on five occasions – with each talk being focused around the transition into life beyond school.
