

Talk About Communication – Year 5-13

Careers focussed format

- *Communication skills are linked and discussed in the context of employability in further detail from the outset*
- *Students work in pairs to consider the pro's and cons of the world of work and their own career aspirations*
- *Key visual, vocal and verbal communication techniques are considered and how they can be applied to succeed in a job interview and in the world of work*
- *Students work in groups to deliver a group talk based around a careers related topic*
