

# Talk About Communication Plus – *Large group format*

*Suitable for years 8-13*

Develop your students' group communication skills with our fast-paced large group format workshop.

This workshop will introduce key oracy concepts and coach students to communicate confidently, constructively and cooperatively in group talk situations. Ideal as a standalone introductory 'group talk' workshop or as a foundation for students to progress onto our full-day workshops designed for groups of up to 30.

Students will:

- Identify, discuss and demonstrate the skills required for effective group discussion and listening
- Discuss and practice the language of discussion and roles within group presentation
- Participate in a planning activity where they apply debating, negotiating and reasoning skills within group discussion

## **Delivery Format**

This large group workshop is suitable for groups of 50 or more based in a school hall or equivalent space. Students will work in small breakout groups. We will cover all setup requirements with you.

We can tailor content to the time available. We recommend contact times of 1hr up to 3hrs.
