

Talk About The Future – *Large group format*

Suitable for years 11-13

Enhance your students' journey towards the world of work with our fast-paced, engaging large group format workshop.

This workshop will guide students to identify their unique employability skillset and coach them to communicate this skillset confidently using key oracy techniques. Ideal as a standalone introductory group workshop or as a foundation for students to progress onto our full-day workshops designed for groups of up to 30.

Students will:

- consider their life experiences and translate these into a defined set of unique skills
- explore effective spoken communication techniques for use in interview
- participate in small group format peer interviews or modelled interviews

Delivery Format

This large group workshop is suitable for groups of 50 or more based in a school hall or equivalent space. Students will work in small breakout groups. We will cover all setup requirements with you.

We can tailor content to the time available. We recommend contact times of 1hr up to 3hrs.
