### Next steps

To continue the oracy development of your students, we offer several follow-up workshops:

#### **Talk About Communication Plus - Ideal for year 8 or above**

<https://talkthetalkuk.org/workshops/talk-about-communication-plus/>

One full day of engaging activities focussing on Group Talk, Debating, Negotiation and Listening Skills, providing your students with plenty of practical opportunities to put these to the test.

#### **Talk About The Future - Ideal for year 11 or above**

<https://talkthetalkuk.org/workshops/talk-about-the-future/>

One full day of expertly led discussion and activity to support students to identify their own unique life experiences and skills and then develop their ability to use oracy to effectively articulate those experiences, skills and employability value.

#### **Teacher CPD - Ideal for teachers and school staff**

<https://talkthetalkuk.org/workshops/talk-the-talk-teacher/>

Support cross-curricular oracy impact within your school or MAT. Our Teacher CPD explores the success criteria for 'good' oracy, how to effectively model positive communication including visual, vocal and verbal modes, strategies for engaging students with oracy and approaches for embedding oracy within the curriculum. We can deliver our CPD in a variety of formats to suit your requirements.

Get in touch with your Talk The Talk liaison to discuss any of the above options. We look forward to working with you again!

*We can only process data for fully completed and returned data forms from students. Not all students attending the workshops will return data forms for a number of reasons. As a result, the number of respondents can be slightly less than the number of students attending the workshops (see above table for exact numbers). All results are based on all fully completed and returned data forms.*
