

Talk About Communication – *Bespoke Student Leader Skills workshop*

Suitable for years 7-13, available in full-day and half-day formats

Are your student leadership team confident communicators?

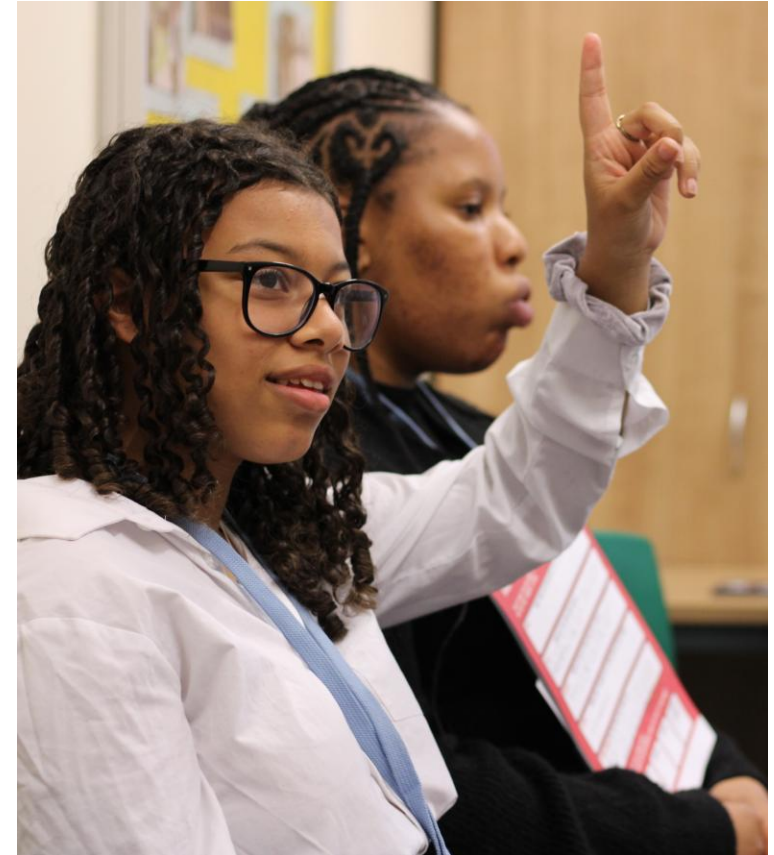

This is a confident communication workshop geared towards secondary school students in your prefect or student leadership team. Within this workshop students will learn and practise the key communication skills required for their role. In addition, these sessions will provide students with core speaking and listening skills, which can be used in all lessons across the curriculum.

Workshop Aims

- Speaking confidently and persuasively
- Improving group talk, discussion and decision making
- Understanding the role of chairperson in meetings
- Developing listening skills
- Boosting confidence in conflict resolution
- Providing the tools to structure talks and feedback to teachers and SLT*

What does this workshop involve?

The workshop focuses on developing students' confidence in presentations, group discussions and their understanding of the role of chairperson. Students will explore and practice conflict resolution to support them in their duties around the school. This workshop can be delivered as a full day (4-5 hours) or over a half-day (2.5 or 3 hours)
